FRANCHISE MODEL

What you earn from it as a merchant
and as part of our community

As a community we yearn for equal opportunities for all to be able to achieve certain economic goals and conduct everyday transactions at a minimal cost.

The social responsibility and ethics apply in both individual and group capacities in that matter. This theory must be incorporated into daily actions and decisions in order to create a positive impact worldwide.

Community

**OUR FRANCHISE BUSINESS
OPPORTUNITY HAS
ADOPTED THE INTUIT PERSONAE
FEATURES FROM
THE BUSINESS FORMAT FRANCHISE
MODEL.**

**Our aim is to attract people with the
same brand values, who also share
our vision, standards and goals.**

**WE AIM THAT CUSTOMERS RECEIVE
HIGH-QUALITY SUPPORT IN THEIR
OWN LANGUAGE.**

**Franchise partners need to guide
merchants in their daily operations, so that they
work in
adherence to the regional market's regulations.**

We want

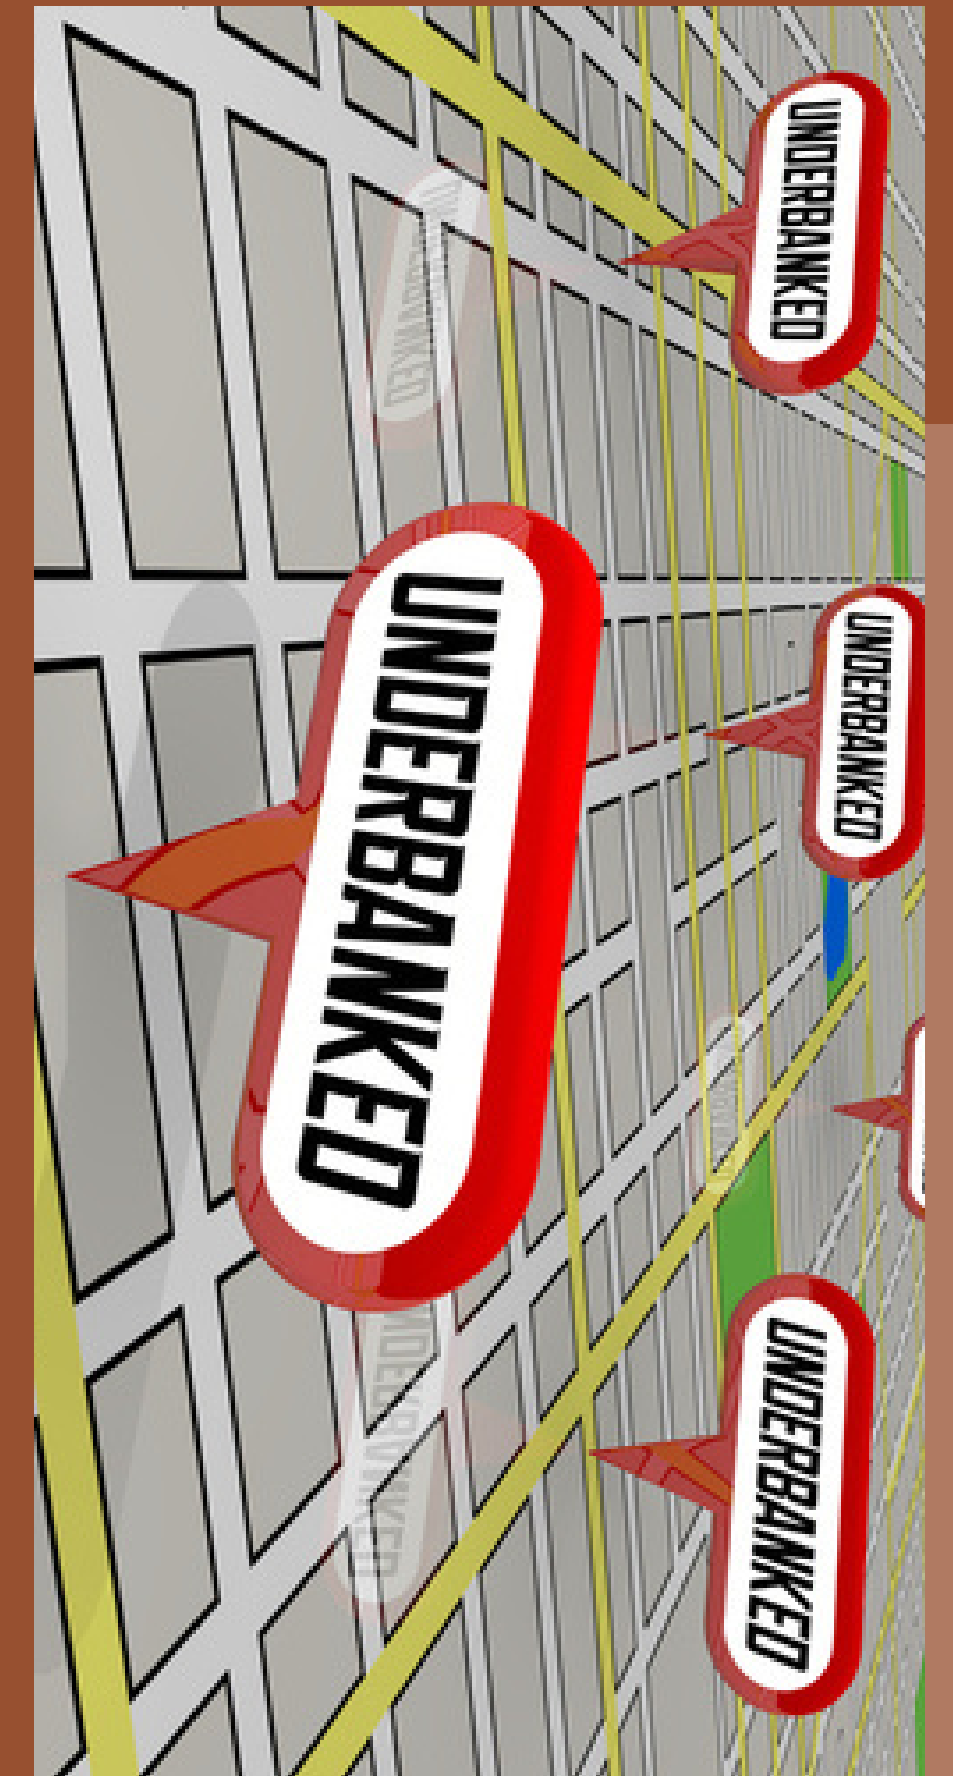

businesses to have the possibility to pay fees in accordance with their local life standard. We aim to provide the possibility for merchants in unbanked territories to be able to operate regardless of being outside of the global banking system.

WE ARE GIVING AN OPPORTUNITY TO PEOPLE WHO HAVE BEEN UNABLE TO SHOP ONLINE AND ALSO TO MERCHANTS WHO HAVE BEEN UNABLE TO SELL ONLINE, BOTH DUE TO THE EXISTENCE OF VERIFICATION OBSTACLES.

It is about the exponential and steady business growth which is only possible when one business implements such a model with the right training and the right people.

Opportunity

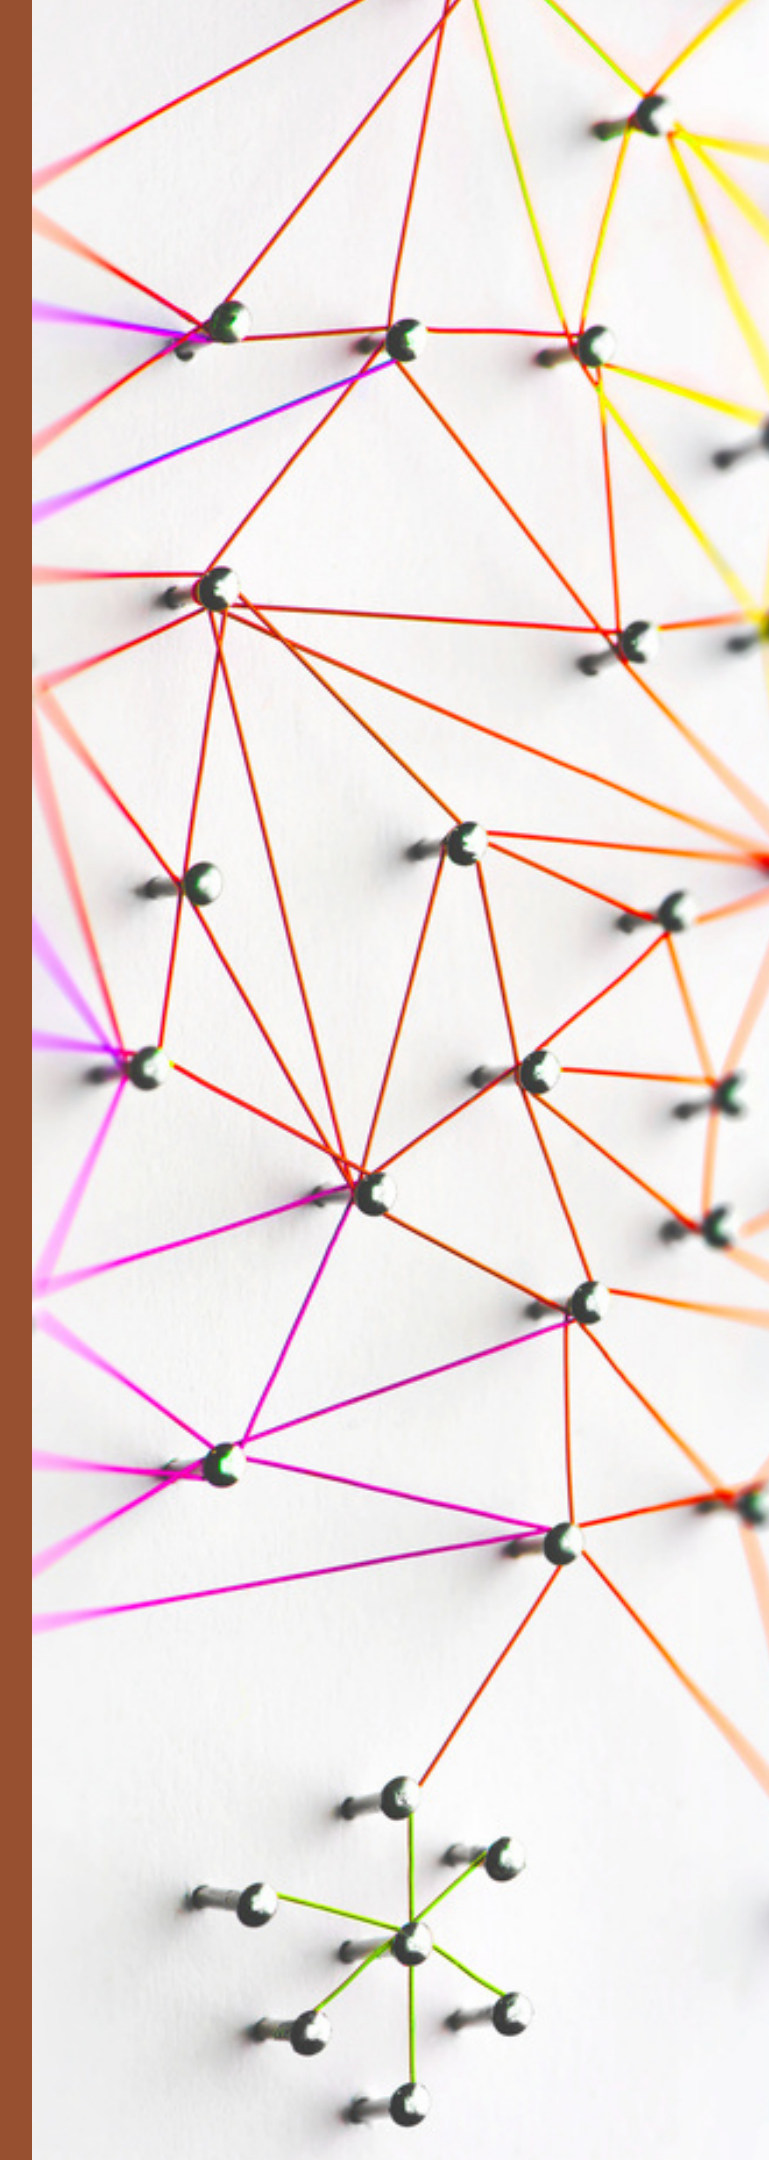

In many cases the words ‘franchise model’ evoke associations with franchise monthly payments to the franchisor. Franchisees are provided with trainings and standards and they are responsible for their own business.

In our model

THE DEALSINVICTA COMPANY PROVIDES INCENTIVES FOR THOSE FRANCHISEES WHO WORK TOWARDS INTRODUCING SUCCESSFUL MERCHANTS TO THE PLATFORM, DOING QUALITY CONTROL AND ENSURING GOOD COMMUNICATION WITH MERCHANTS IN THEIR NATIVE LANGUAGE.

**WE DO NOT REQUIRE
any upfront or monthly payments
from the
franchisee.**

**IN FACT,
we are paying a percentage for
their work from our income, thus
we will choose our franchisees
very carefully.**

Furthermore, _____

IF MERCHANTS HAVE NOT REGISTERED THROUGH THE FRANCHISE REFERRAL LINK BUT THROUGH THE DEALSINVICTA PLATFORM,

they will automatically be listed as referees of the franchisee who is responsible for the exact country of the merchant registration.

THIS MEANS THAT DEALSINVICTA WILL BE HELPING FRANCHISEES

find their merchants by developing a special system for business support, tailored by and for our community.

DI FRAN REP

Franchisees need to own a registered company to issue invoices for the funds that Dealsinvicta Company will pay them.
