Additional PERKS for our merchants

1. An easy way to list menus and catalogs

We are offering an easy way for businesses to add their catalogs through bulk listing.

2. Added promotions for a lot of visibility

Merchants receive an opportunity to advertise on the landing page.

3. A stable payment option

Fast (instant for NDN) and reliable payment method which can save your income from bad economic and political factors.

4. Grow online and turn your customers from global to local (into your local shop)

Coronavirus has shrunk economies by suppressing both supply and demand which mainly depend on close human contact. Sell online and not only save, but also increase your local business growth.

5. Highly reactive customer service

We are ready to assist businesses throughout the steps of the onboarding process, as well as help them while they add their first products to make sure their experience on our platform is as fulfilling as possible.

Additional Perks for our users

1. One customer - many incentives

Attracting a customer and signing them as your referee on all 3 platforms Dealsinvicta, TrebleU and Tradeinvicta and this way you will triple your income.

2. Lifetime FREE Forex trading signals

Obtain a lifetime subscription for Forex trading signals and earn while learning.

3. Acquire the skillset and gain the knowledge to become a WINNER

Obtain the knowledge to be a winner in the world of Forex and e-commerce.

4. Let your funds work for you

We offer a reliable payment method, operating outside the traditional monetary system, which can secure your income and keep bad economic and political factors away from it.
