

DealsInvicta Merchant Growth Opportunities

Are you a startup business?

Or are you looking to expand to
new markets?

If so, then Dealsinvicta is the right place
for you and your business.

We take a leap into the future of online business by involving the uniform means of communication – art, music, mathematics and programming.

We believe the marketplace should combine art, colors and entertainment in order to assemble an ecosphere of a secure, digital environment: rich, virtually pleasing and cool for all users. It should provide different possibilities for the purchase of goods and services as well as a strong local support for the business.

Advantages for merchants

-  Rapid growth potential - Increasing sales opportunities through franchise model, worldwide KYC solutions and alternative payment methods.
-  Export opportunities – from local to global. Easy access to the global market. Competing with larger businesses by being able to operate 24/7.
-  Customer intelligence - Take Advantage of Dealsinvicta Online Marketing Tactics and the ability to use online marketing tools to target new customers and website analysis tools to gain insight into your customers' needs.
-  Not necessary to be an already established business in any form to start selling.

Advantages for merchants

-  Making savings in set-up and operational costs
-  Reduced overheads – making a product active/inactive just a click
-  Automated invoicing process
-  Logistic management, notification for product amount in stock
-  Digital storefront, built-in payment systems, contact forms

Advantages for merchants

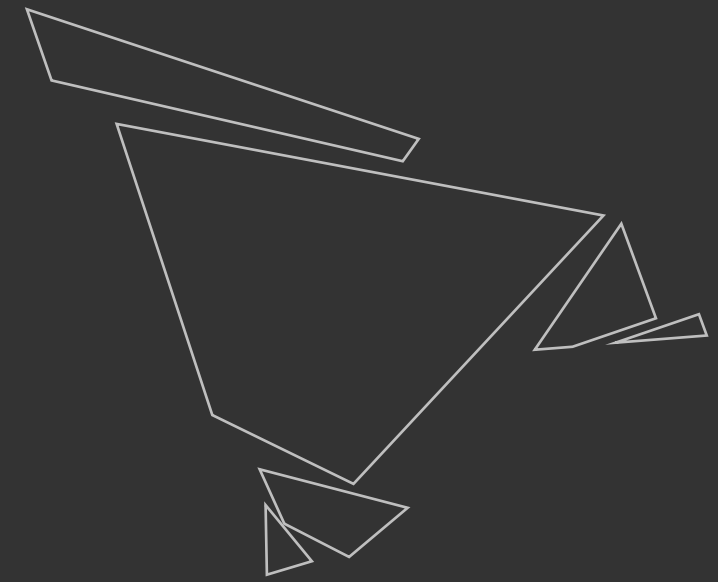

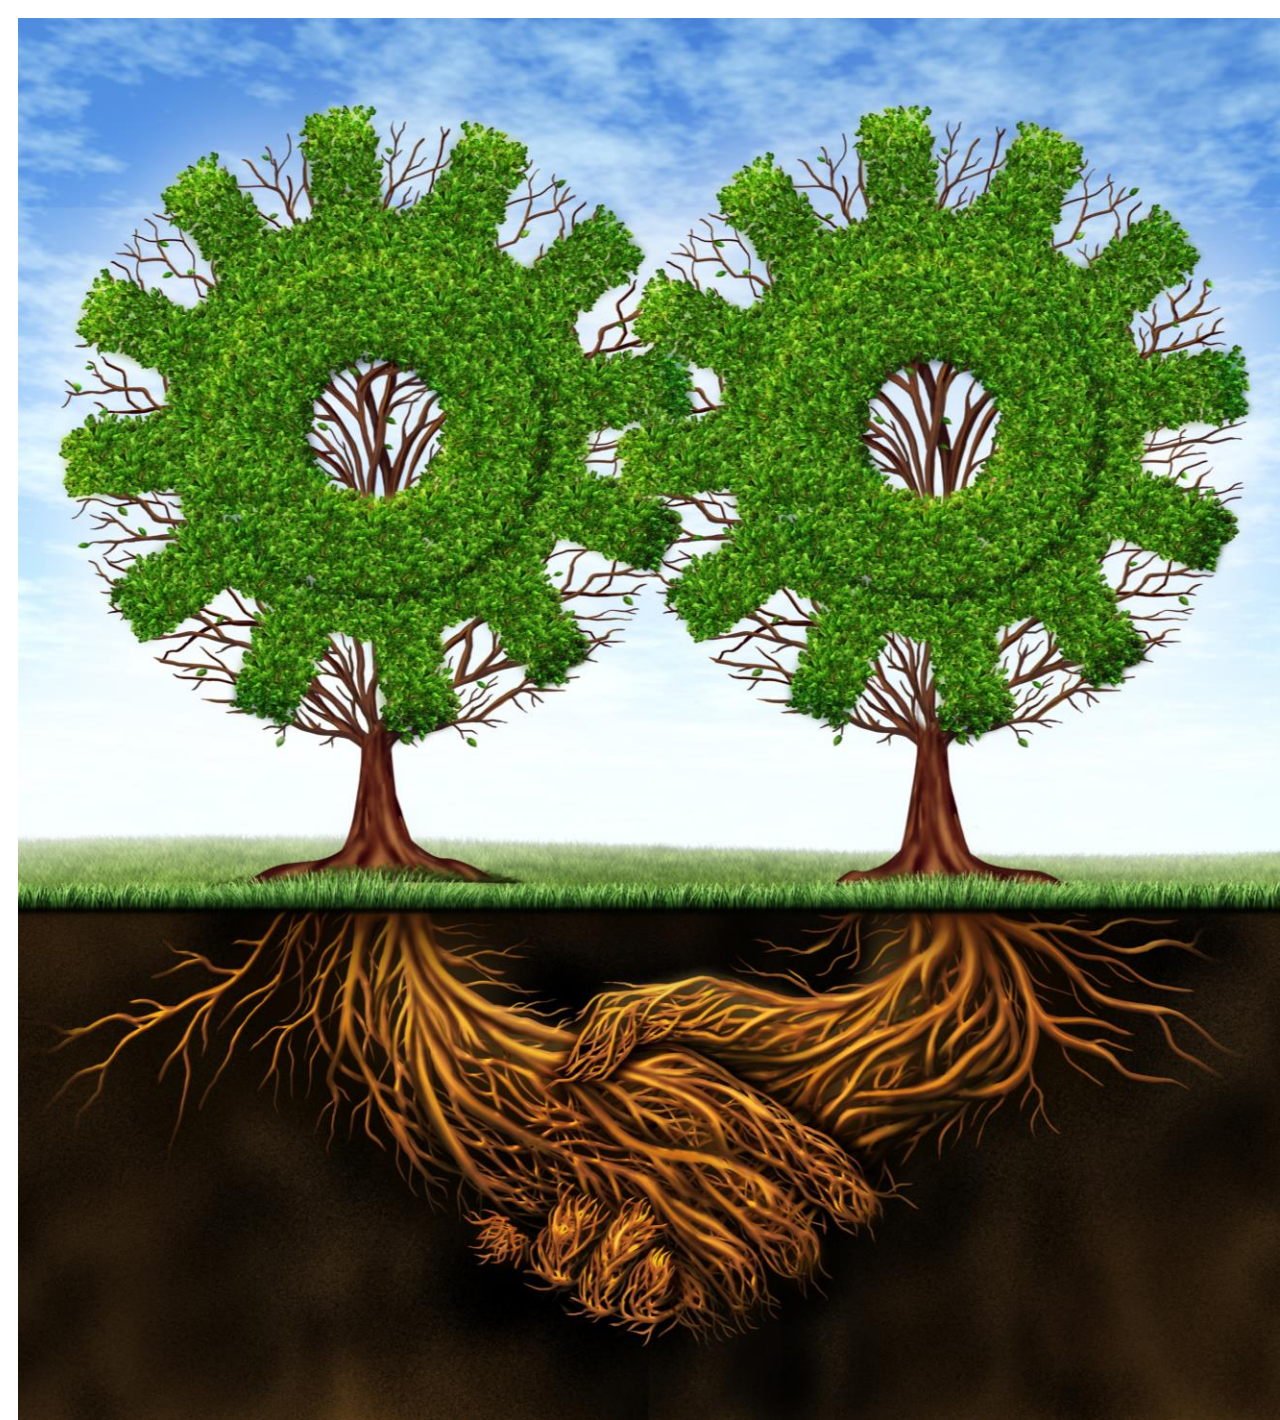

The affiliate program

House of loyals:

contains 3 special sub-programs
– a community building, a loyalty
and a referral program.

Those are its core elements
which we developed as a sign of
our gratitude towards the efforts
of the most hard-working ones
among our merchants.

Where to begin?

Simply set up a merchant account on the DealsInvicta platform, upload your deals and start the DIY business of your dreams.

Grow
your
business!
